Rolls-Royce Civil Nuclear Suppliers – Occupational Health & Safety ISO 45001:2018

Originator: Adrian Birt
Job Title: Quality Assurance Manager
Business Unit: Civil Nuclear UK

NTS Number: 555
Issue: 1
Date: 6th June 2022

For the attention of the Managing Director and Quality Manager

Scope/Applicability:

All suppliers to Rolls-Royce Civil Nuclear UK

Dear Supply Partner,

Introduction:

OHSAS 18001:2007 was formally withdrawn on 31st March 2021 and superseded by ISO 45001:2018 Occupational Health & Safety. The Rolls-Royce Civil Nuclear UK supplier management system requirements document, SABRe Edition 3 Revision 1.1, is currently referencing OHSAS 18001:2007 and requires revision.

Action Required:

Pending Rolls-Royce Civil Nuclear UK revision to SABRe 3, and with immediate effect, this NTS instructs all suppliers to ensure their Management Systems meet the requirements of Occupational Health Safety and Environmental standards ISO 14001:2015 as a minimum, and ISO 45001:2018 as applicable.
