

## Civil Aerospace Change of Delivery Addresses

**Originator:** Nicholas Dunn  
**Job Title:** Supply Chain Project Manager  
**Business Unit:** Civil Operations

**NTS Number:** 422  
**Issue:** 1  
**Date:** 27<sup>th</sup> January 2018

**For the attention of Managing Director, Planning Managers & Logistics Managers**

Dear Sir or Madam,

### Scope/Applicability:

All suppliers in receipt of purchase orders and schedule agreements for Original Equipment gas turbines components from the following Rolls-Royce plants:

- 1103 (Defence Aftermarket spares)
- 1203 (Civil Aftermarket Spares)
- 2102 (Naval Marine New Production)
- 2103 (Naval Marine Aftermarket spares)

### Introduction:

This NTS is being released as formal communication to make affected suppliers aware of the change to the delivery address, as a result of site rationalisation and the outsourcing of the logistics activities for our Gas Turbine based business. As a result of this, the delivery address for all inbound deliveries will be changing. The effective date for this change is 26<sup>th</sup> February 2018.

### Action Required:

- Cascade the contents on this NTS within your company / personnel – as necessary
- All current Export Licenses to be amended as required
- Vendors will need to amend their Certificates of Conformity and delivery paper work
- All Manifest and Non-Manifest deliveries for the affected plants being delivered from February 26<sup>th</sup> 2018 should be addressed to:

Rolls-Royce Group  
c/o CEVA Logistics  
Barton Business Park,  
Barton-Under-Needwood,  
Burton-upon-Trent,  
DE13 8ES

- All standard packaging labels should remain to the SABRe standard identifying receipting Plant and Storage Location
- We look forward to your continued support and drive in adhering to the working changes as part of our improvement program.

- If you have any queries regarding the new changes, please do not hesitate to contact the originator by return, or contact your local Logistics interface for further details.

### **Timings**

- 23<sup>th</sup> February 2018 - Last parts accepted for receipt at the Aftermarket Service Centre Gate 8 Wilmore Road Derby.
- From 26<sup>th</sup> February 2018 – parts accepted at Ceva Logistics, Barton under Needwood facility until further notice.
