

Notice to Suppliers

Change of address – Plant 2102 Deliveries

Originator: Slawomir Rybacki
Job Title: Logistics Projects Controller
Business Unit: Global Physical Logistics

NTS Number: 472
Issue: 1
Date: 20 September 2019

For the attention of Supply Chain Managers,

Dear Sir or Madam,

Scope/Applicability:

All suppliers that currently deliver material to Plant 2102. This includes deliveries to the Aftermarket Distribution Centre (ADC) Barton Business Park, Barton-under-Needwood, Burton-on-Trent DE13 8ES or Rolls-Royce in Portsmouth.

Introduction:

Our 2102 Plant is moving to the new warehouse in Bristol.

The address is as follows:

CEVA Logistics Limited, Unit H1A (Horizon 38 Business Park), Bolingbroke Way (Off Gypsy Patch Lane), Filton, Bristol, Avon BS34 6FE

Action Required:

Starting from the 7th of October all deliveries to Plant 2102 must be directed to the new location in Bristol. If you currently deliver via CEVA, new Origin and Destination (OD) Pairs will be created for you in the Matrix system. If you deliver the material yourself, please make sure that it is delivered to the correct address.

Please ensure that all the appropriate personnel within your organisation are made aware of this change.
