## Launch of iValua Platform – New Procurement and Supplier Management Operating System

**Originator:** David Loseby  
**Job Title:** Director of Procurement  
**Business Unit:** Procurement

**NTS Number:** 531  
**Issue:** 1  
**Date:** 20 February 2021

For the attention of the Managing Director

### Scope/Applicability:

All suppliers within the Rolls-Royce Civil Operations and Defence Aerospace (including Naval Marine) supply chain.

### Dear Supply Partner,

Rolls-Royce is pleased to announce the launch of iValua our new source to contract platform for direct procurement. The initial roll out will cover Civil Operations and Defence Aerospace (including Naval Marine), with Civil and Defence Services to follow later in 2021.

iValua will replace our existing SAP sourcing tool and the initial roll out will go live on 17<sup>th</sup> March 2021. The tool will provide increased efficiency, compliance and user satisfaction for both Rolls-Royce users and our suppliers, specifically in the areas of sourcing, contract management and supplier management.

The use of iValua by suppliers will be free and quick and easy, using single click log on. The iValua platform will be the interface for suppliers to receive request for proposals along with access to existing contract data, performance and scorecard metrics and will allow suppliers to manage their company and contact information.

Supplier on-boarding to iValua started on February 1st and will continue until go-live, please follow the recent instructions on how to authenticate on the new tool received via email. Please note that the authentication email originates from **Michael-Cloud.Adshead@Rolls-Royce.com** which includes your invitation to access the application.

For more information, please contact the DPEX Team at [DPEX@Rolls-Royce.com](mailto:DPEX@Rolls-Royce.com)

### Action Required:

Suppliers to Civil Operations and Defence Aerospace (including Naval Marine) should complete on-boarding to the iValua platform in line with instructions sent you your identified key contact via email. If you have any questions, please contact [DPEX@Rolls-Royce.com](mailto:DPEX@Rolls-Royce.com).
