

e-DAR WebEx Training

Originator: Leslie Wanick / Chris Duncan
Job Title: Manufacturing Engineering Manager /
 Operations & Producibility Project Manager
Business Unit: Installations

NTS Number: 430
Issue: 1
Date: May 2018

For the attention of the Quality Manager.

Dear Sir or Madam,

Scope/Applicability:

To all suppliers of the Rolls-Royce Aerospace Supply Chain (Civil & Defence product).

Introduction:

With reference to NTS' 424 and 426, and as part of our transformation program into digital systems, Rolls-Royce is introducing a new electronic Definition Alteration Request (DAR) solution in mid-2018. Training for the new e-DAR system is now available for booking, and we are gathering information to add users for launch.

Actions Required:

(1) Supplier User Details:

If you haven't been contacted by your Rolls-Royce point of contact (e.g. Manufacturing Engineer Purchase), please contact them so they can help set up your account. Information you will need to provide includes:

- Name(s) of those who will be raising e-DARs, their email address, and their nationality
- Export Control classifications likely to be submitted based on the Supplier's current portfolio (e.g. Not Listed, EU Dual Use, ITAR, etc.).

(2) WebEx training sessions:

Please register for a training event through the link(s) shown on the right of the table below. The password is **RRSupplier**.
