For the attention of senior quality managers in your organisation

Scope/Applicability:

All Civil and Defence Aerospace suppliers

Dear Supply Partner,

For awareness, Rolls-Royce has created a series of guidance documents to help with common metrology topics in the supply chain.

The following documents have been uploaded to the SABRe Portal to aid suppliers in these common topics:

- MXG038 MSA on Computer Driven Measurement System Guide
- MXG052 Management of MSA outside of Acceptance Guide
- MXG041 Inspection Planning Application Guide
- MXG047 MSA for Development Product Guide
- MXG043 AS13100/RM13003 Guide
- MXG044 Surface Finish Measurement Guide

Documents are stored on the SABRe Portal in the below section –

- Supplier Documents > Sabre Edition 4 > Civil and Defence Aerospace > Forms, Briefs and Guidance > Section 7.1.5

Suppliers should utilise the guidance documents above as and when required.
