Global Supplier Approval Certificate - Aerospace

Originator: Robert Starcke
Job Title: Head of Supplier Quality Rolls-Royce Deutschland
Business Unit: Civil and Defence Aerospace

NTS Number: 487
Issue: 1
Date: 7th March 2020

For the attention of the Managing Director and Quality Manager

Dear Sir or Madam,

Scope/Applicability:

All Suppliers and Partners who supply parts related to Rolls-Royce **Aerospace** contracts / purchase orders.

Introduction:

As part of our drive to simplify processes Rolls-Royce will transition from regional supplier approval certificates to global supplier approval certificates for Civil and Defence Aerospace from 16th March 2020. From this date onwards, the new certificate will be split in 2 sections. The first section will provide information of the approval scope common for all referenced Rolls-Royce legal entities. The second section will provide information of the approval scope related to a specific Rolls Royce legal entity. The supplier approval certificate will not be distributed in paper form, it will be provided in electronic form as a pdf file.

Approval Certificates for the MRO business will not be part of the global certificate and will be managed on a regional basis.

The image shows a 'Certificate of Approval' form from Rolls-Royce Civil & Defence Aerospace. The form includes the following fields and sections:

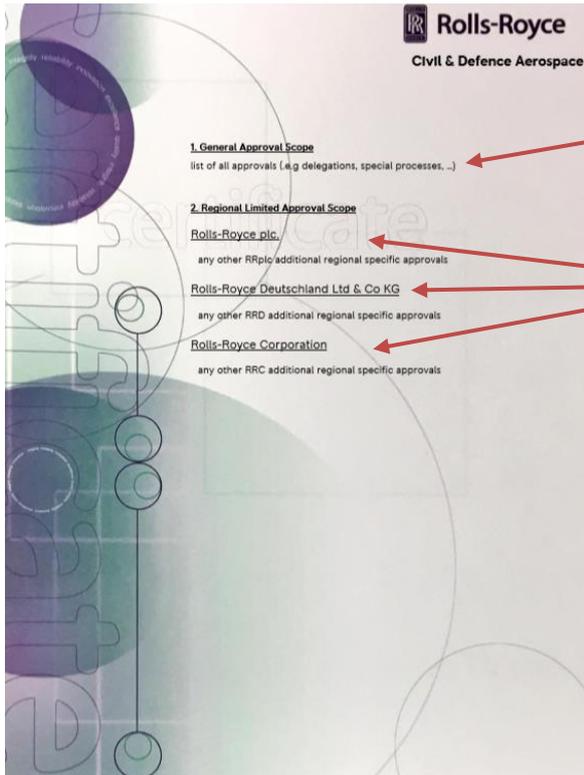

- Approval No: **number / Issue**
- Rolls-Royce hereby certifies that **supplier name**
- street**

Red arrows point from explanatory text on the right to the 'code' field, the 'General Approval Scope' section, and the 'Rolls-Royce Deutschland Ltd & Co KG' entry in the regions list.

The approval certificate is valid for all Rolls Royce vendor codes.

The baseline for the quality approval scope (e.g. SABRe, SABRe DCP, Quality Plan number...)

The general approval scope is valid for all Rolls-Royce legal entities.

The general approval scope is valid for all legal entities as listed on the front page.

Regional limited approvals as listed here are only valid for the specific Rolls-Royce legal entity and shall not be used for other Rolls-Royce legal entities.

For further information please contact your Supplier Management Team representative.

Action Required:

Please replace Rolls-Royce local supplier approval certificate with global supplier approval certificates as appropriate.
