Dear Supply Partner,

### Introduction:

**TX0986 e-Concession / Deviation Permit Form has been updated to clarify containment, root cause and corrective action requirements.**

Additional headings have been added in the “Line Item” tab of this concession form. The main objective is to generate clear, concise and robust containment, root cause, corrective and preventative actions for any non-conformance. A brief “guidance” tab has been included in this form for clarity on how to complete the form. Once the form is completed, please submit this concession form to one of the Supplier Management Team representatives (Team of 3) as per current practice.

TX0986 can be found on the Rolls-Royce Global Supplier Portal. Please ensure that the latest version is being used.

If further guidance is required, please contact your Supplier Management Team representatives (Team of 3).

### Action Required:

Please circulate this notification within your organisation as necessary.
