## Defence Naval SABRe 3 Release

**Originator:** David Smith  
**Job Title:** Senior Supplier Quality Manager, Defense  
**Business Unit:** Defence Naval (Global)

**NTS Number:** 497  
**Issue:** 1  
**Date:** 18<sup>th</sup> April 2020

For the attention of the Managing Director & Quality Manager:

### Scope/Applicability:

All Suppliers or Partners who supply product and / or services related to Rolls-Royce Defence Naval contracts / purchase orders.

**Dear Supply Partner,**

### Introduction:

In April of 2018, Rolls-Royce released the third revision of its Supplier Management System Requirements manual known as SABRe Edition 3. Communication about the release of SABRe Edition 3 was established via a Notice to Supplier (NTS) 427 which can be found on the Global Supplier Portal (GSP). With the release of SABRe Edition 3 came the release of separate documents covering the requirements specific to Business, product and / or service type.

This NTS announces the release of the new Defense Naval version of SABRe 3. This modifies the previously published Marine version of SABRe 3 and releases it to the Defence Naval supplier base. The Defence Naval specific version of SABRe Edition 3 can be found on the Rolls-Royce Global Supplier Portal (GSP) <https://suppliers.rolls-royce.com>.

### Action Required:

Defense Naval Suppliers and Partners are required to:

- Review SABRe Edition 3 Naval Marine and feedback questions to the appropriate Supplier Management Team
- Complete the SABRe self-assessment to identify and address any compliance gaps
- Participate in any required training to assist implementation and address compliance gaps
- Review the need for a compliance audit to be conducted by Rolls-Royce
- Comply with SABRe Edition 3 Naval Marine prior to 01-Jan 2021
