

Definition Alteration Request (DAR) - Global DAR Form

Originator: Keith Bonner
Job Title: DAR Subject Matter Expert
Business Unit: Central Producibility

NTS Number: 397
Issue: 1
Date: 04 November 2016

For the attention of the Managing Director and Quality Manager

Dear Sir or Madam,

Scope/Applicability:

All Rolls-Royce suppliers and partners, globally.

Introduction:

Requests from the external supply chain for minor changes to product definitions are managed via SABRe sub-clause B4.6 – Definition Alteration Process.

The previous region-specific DAR forms used for requesting minor change to product definitions contained on the Global Supplier Portal have been replaced by a single Global DAR form.

Action Required:

All supplier and partners must now use the Global DAR form and associated guidance material contained on the Global Supplier Portal.

NTS Category:

Engineering / Technical
