

Defence Aerospace Change of Delivery Addresses

Originator: Malcolm Soper
Job Title: Supply Chain Designer
Business Unit: Defence Aerospace

NTS Number: 419
Issue: 1
Date: 4th January 2018

For the attention of Managing Director, Planning Managers & Logistics Managers

Dear Sir or Madam,

Scope/Applicability:

All suppliers in receipt of purchase orders and schedule agreements for Original Equipment gas turbines components from the following Rolls-Royce (Bristol) plants:

- 1101 (Development)
- 1102 (New Production)
- 1111 (Development)

Introduction:

This NTS is being released as a follow on communication to the previously issued NTS409 to make affected suppliers aware of the change to the delivery address as result of outsourcing the logistics activities for our Bristol based Defence business. As a result of this the delivery address for all inbound deliveries will be changing. The effective date for this change is 5th February 2018.

Action Required:

- Cascade the contents on this NTS within your company / personnel – as necessary
- All current Export Licenses to be amended as required
- Vendors will need to amend their Certificates of Conformity and delivery paper work
- All Manifest and Non-Manifest deliveries for the affected plants being delivered from 5th February 2018 should be addressed to:

CEVA Logistics
Unit H1A
Bolingbroke Way
Patchway
BRISTOL
BS34 6FE

- All standard packaging labels should remain to the SABRe standard identifying receipting Plant and Storage Location
- We look forward to your continued support and drive in adhering to the working changes as part of our improvement program.
- If you have any queries regarding the new changes, please do not hesitate to contact the originator by return, or contact your local Logistics interface for further details.

Timings

- 2nd February 2018 - Last parts accepted for receipt at Rolls-Royce Building 165.
- From 5th February 2018 – parts accepted at Ceva Logistics, H1A facility until further notice.
