

## “What’s Coming” WebEx on e-DAR

**Originator:** Leslie Wanick  
**Job Title:** Manufacturing Engineering Manager  
**Business Unit:** Installations

**NTS Number:** 426  
**Issue:** 1  
**Date:** March 2018

For the attention of the Quality Manager.

**Dear Sir or Madam,**

**Scope/Applicability:**

To all suppliers of the Rolls-Royce Aerospace Supply Chain (Civil & Defence product).

**Introduction:**

With reference to NTS 424, and as part of our transformation program into digital systems, our intention is to implement a new electronic Definition Alteration Request (DAR) solution. Implementation is planned for mid-2018, and a series of “What’s Coming” WebEx awareness sessions will be available at the end of March. These will be followed by training dates which will be communicated closer to the time.

**Action Required:**

The “What’s Coming” WebEx session to introduce the e-DAR system will be accessible on the following links for each day:
